The Ardour Signature

The Ardour Signature is designed to reshape your brows, correcting unflattering shapes or patchy brows. Your brows are unique, just like you, so for best results, you want to make sure that yours are shaped and styled to complement your features.

If you're new to ARDOUR and your brows are needing some tender, love and care "The Ardour Signature" is the perfect choice.

Getting your brows groomed and shaped can make an incredible difference to your overall face by highlighting your best features. Unfortunately, there are so many things that can go wrong.

The most common problems with brows include:

- Sparse, thin brows (over-plucking)
- Shapeless brows
- Untidy and overgrown brows
- Greying and discolouration of brows

The Ardour Signature is a 40-minute consultation and service designed to restore your eyebrows to their former glory. To achieve your desired brow shape our highly-skilled artists combine a five-way wax with a perfected tweeze technique. During this service, we also add a complementary custom blend brow colour to create a uniform look that matches your hair and complexion.

Your service will include the following:

- A consultation
- Any waxing and cleaning that may be necessary
- Custom colour matching and blend
- Makeup touch-ups after the work is completed
- Coaching to help you understand how to maintain the look.

We recommend that you get your brows redone every 4-6 weeks. This will allow enough time for all brow hairs to remain in the same growth cycle whilst still maintaining a groomed brow.

We're all about creating easy ways for our clients to feel more comfortable in their own skin. With our exclusive brow signature experience, we allow you to rewind time and establish the look you've always wanted.

GORGEOUS, BESPOKE LASHES

Full Set Classic Lash Extensions

Ditch the feeling of lack-lustre lashes and opt for extensions that complete your overall look. Dazzle and ignite your confidence with a highly tailored service that applies each lash individually to your top lash line. Expertly installed by a specialist Ardour Artist, this is the ultimate way to define and shape your features.

Why get eyelash extensions?

Not everyone likes applying coat after coat of mascara. Eliminate unnecessary hassle in the morning with our full set of eyelash extensions that are designed to give you a bold, dramatic look. Or, if you're after a more natural approach, our Ardour Artist can also ensure your objectives are kept in mind throughout the service.

Best of all, there are plenty of benefits to these solutions, including:

- Quickly get long, thick and luscious eyelashes without the hassle
- Cut down your makeup routine – there's no need to wear mascara
- Maintain the look easily with zero upkeep – give them a brush now and then and a touch-up/refill. You're on your way.

How long do they last?

Depending on the volume you aim for, extensions can last for up to four weeks, when maintained properly. During your service at Ardour, we'll guide you through the best approach to keeping yours in the best possible condition.
